## Cable News NO CANAL BILL ARBITRATION

[Associated Press Cable]

WASHINGTON, August 30.—From reliable authority comes the assertion that the United States government will not heed the protest filed against the Panama Canal Bill by the British government and will refuse to consider the demand for arbitration, which Great Britain intimates she will make in the formal note forwarded to the State Department by the acting British ambassador here.

It is asserted here that the Washington authorities feel that Great Britain would be exceeding her rights in making such a request, under the circumstances, and that the protests she has already filed are entirely unjustified by the facts and the bill.

SET DATE FOR THE START OF PARCELS POST WASHINGTON, August 29.—It was announced here this afternoon that the parcels post clause of the recent appropriation bill would take effect in January of 1913.

## Over-Night Wireless To the Advertiser

The United States gunboat Vicksburg, about whose safety some fears were entertained yesterday, was reported in private advices reaching Tucson today, as having arrived at Guaymas, on the west coast of Mexico, last night.

The body of the late General William Booth was laid today beside that of Catherine, Booth, his wife, in Abney Park cemetery.

United States Senator George C. Perkins announced that he will not be a candidate for reelection to the Senate in 1915. Bad and failing health are given by him as the reasons for his intention to retire from public life. He is 73 years old.

Major Charles C. Wolcott, Jr., Fifth Cavalry, is detailed as assistant to the chief of the bureau of Insular Affairs with the rank of colonel. Major George H. Shelton, captain of infantry, is relieved from duty as assistant to the chief of the bureau of Insular Affairs to take effect November 30.

There are only half a dozen States, Colonel Roosevelt says, which he believes President Taft has a chance of carrying. One of these, he said, is Vermont, in which the Colonel is to spend the remainder of the week in a speaking tour. Colonel Roosevelt says that in Vermont all the power of the money organizations is against him.

Two thousand American marines and sailors will be mobilized on Nicaraguan territory next week. Officials of the State Department today declared this force would be sufficient to cope with the situation brought about by the action of General Mena's band of rebels.

The cruiser California arrived at San Juan del Sur today with a detachment of marines who are to be used for the protection of American life and property in Nicaragua.

American marines are reported to have engaged in a battle with rebels under General Mena in the vicinity of Managua. Details of the reported clash have not been received here as yet. American Minister Weitzel is directing the activities of the American forces.
